Subject: Suggestions from Feedback on Curriculum by teachers and students...

Respected Sir,

Internal Quality Assurance Cell (IQAC) and Dept of Marathi of our college have collected feedback on curriculum from teachers and students after end of the Semester. Following are suggestions and we are forwarding to you for revision and further action.

Please do the needful.

Thanking You,

Suggestions obtained through feedback forms.

1. Include practical oriented content like Field Visit in TYBA syllabus
2. Minimise the syllabus of FYBA *Vyavharic Marathi* since it is vast

Add more content from Indian writing in English

Green chemistry related topics should be added in syllabus

Good

Level of difficulty should be increase as like as professional courses.

Repetation of some topics must be avoided

There should be no repetition in the syllabus of administration

Reduce the practical syllabus

——

—

The topics from e commerce should be added in FYBA Economics course

The syllabus of English G 2 (Advance study of English Language) is vast. May be reduced

Apart from helping students hone their academic skills making them efficient in every way to prove themselves exceptional employees in the future is what universities need to focus on when they take up the task of preparing syllbus .It should me completely Skill based and it should be holistic approach.
