2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

- Every programme and course has a specific set of objectives which are approved by the Board of Studies of the Savitribai Phule Pune University. Programme and Course Outcomes of the respective subject are designed by considering these Objectives
- The College has clearly specified the learning outcomes for its programmes and courses on College website.
- The students are made aware of the learning outcomes through the Principal's address in the beginning of the academic year in the form of welcome function by every department that is considered as an induction program. During the function various committee convenors including exam committee, Student Development committee, Literary Association etc. explain its working procedure.
- Every subject teacher conveys Course Outcomes at the introductory lecture of respective subject / course
- The copies of the syllabi are kept in the College library for students.
- The faculty of concerned department explains course objectives, evaluation pattern, marking scheme etc. to the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- The college tries to assess the attainment of Programme Outcomes and Course Outcomes through different means. For example the teachers take regular feedbacks from the students while teaching.
- Attainment of Course Outcomes and Programme Outcomes are done by customized valuation pattern which includes Home assignments, tutorials, etc.
- The college follows the evaluation pattern prescribed by the Savitribai Phule Pune University.
- This type of evaluation includes term end, internal, semester, practical (Departments of Chemistry, Microbiology, Botany, Zoology, Mathematics, Physics, Geography, Psychology and

Commerce) and annual examinations conducted at the end of course.

- These examinations and their results also measure the attainment of Course Outcomes and Programme Outcomes.
- Projects prepared by students on environment also prove the attainment.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

- The administration of the college is decentralized including teaching, co-curricular, extracurricular and financial management activities and it is monitored by the Principal with the support of IQAC. Various committee coordinators collaboratively involve in the decision making. It creates free and fair atmosphere of participatory democracy. Administrative authority and responsibility are given to faculty on basis of their post, experience, capability, dedication skill to meet institutional goal. The Purchase Committee is formed for the purchase, maintenance of the Chemicals. The flow of Purchase is-
- Demand from HOD----Purchase Committee-----Principal-----CDC-----Management
- As per the norms of the Maharashtra University Act and guidelines of SPPU the CDC is constituted. The planning and

execution of the various committees are guided by College Development Committee (CDC) and IQAC throughout the year. The suggestions are obtained from IQAC, stakeholders including Management, ALUMNI and Parents. During IQAC meetings various decisions are taken. The IQAC develops various committees, Cells including representation of teaching and nonteaching staff and students. The management representative visits to college and supervises the entire working of the college. The structure of the management of MVP SamajNashik is thus decentralised and it helps in overall functioning of the college.
