Study Tour Report 2022-23**

Department of Microbiology organised one day study Tour on 9<sup>th</sup> May 2023 at Sahyadri Farm Mohadi, Taluka- Dindori , District Nashik for S.Y.B.Sc and T.Y.B.Sc Microbiology students.

Students were gathered at 9 am at K.G.D.M. Art, Commerce and Science College, Niphad ,then we started our journey . We reach to Sahyadri Farm Mohadi at 11 am.

One of the staff from Sahyadri farmas explain students the history and work done in sahyadri farmas . Sahyadri Farms is India's largest integrated platform for fruits and vegetables. Company via its unique inclusive partnership with farmers has built a strong capability over the years in areas of primary processing of Fruits & Vegetables, semi-processed products like frozen & aseptic; processed products like fruit jams; tomato ketchup; fruit beverages and F&V waste processing under an integrated zero discharge processing facility.

Sahyadri Farms began with the mission to ensure that the small-landholding farmers of India are given fair compensation for their produce and labour. This was to be achieved while ensuring that we adhere to global standards of agricultural practices, world-class infrastructure, international food safety standards, and the will to deliver safe, hygienic, and healthy food to our consumers.

After that student started to visit different departments of processing fruit and vegetable first student visited to grapes packaging and storage department then follows by tomato, onion sweat corn processing departments. Sahyadri Farms products are dry fruits and vegetables ,ketch up.

After collecting information our journey to return to college were started.In this study tour we returned to our college at 4 pm with our staff Smt. Mohod R.S., Smt. Kadlag A.U. and Smt. Divekar M.S.
