2.6.2 Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Response-

- The college tries to assess the attainment of Programme Outcomes and Course Outcomes through different means. For example the teachers take regular feedbacks from the students while teaching.
- Attainment of Course Outcomes and Programme Outcomes are done by customized valuation pattern which includes Home assignments, tutorials, online Workshops etc.
- The college follows the evaluation pattern prescribed by the Savitribai Phule Pune University.
- This type of evaluation includes term end, internal, semester, practical (Departments of Chemistry, Botany, Zoology, Mathematics, Physics, Geography, Psychology and Commerce) and annual examinations conducted at the end of course.
- These examinations and their results also measure the attainment of Course Outcomes and Programme Outcomes. Projects prepared by students on environment also prove the attainment
