Dept. of English Language Lab Report 2023-2024

Add on Course

The Mission of the Department of English is to develop communicative competence among students. To fulfil this mission our college has developed a well-furnished and equipped language laboratory. In this age of Information and technology the teachers need to adapt to change if they are to survive and keep pace with new methods and technologies. A great deal of research and development has been conducted in order to bring Information and Communication Technology (ICT) in daily teaching. Therefore our honest attempt is to give ICT based training of Listening, Speaking reading and writing skills in English and Marathi through the activities and practical sessions of language lab.

Language Lab Infrastructure and audio visual aids:

The department of English has established spacious language lab for students. There are 25 Language clarity improver machines, 25 audio cassettes and 25 text books, 25 big headphones and 25 small headphones provided by Savitribai Phule Pune University, Pune. The faculty members have contributed by developing 9 PPTs of LSRW skills and grammar in English and Marathi. The skill enhancement course has been organised for thirty hours from 25/02/24-10/03/24. Twenty four students participated in the course.

Activities and Practical sessions conducted in language lab:

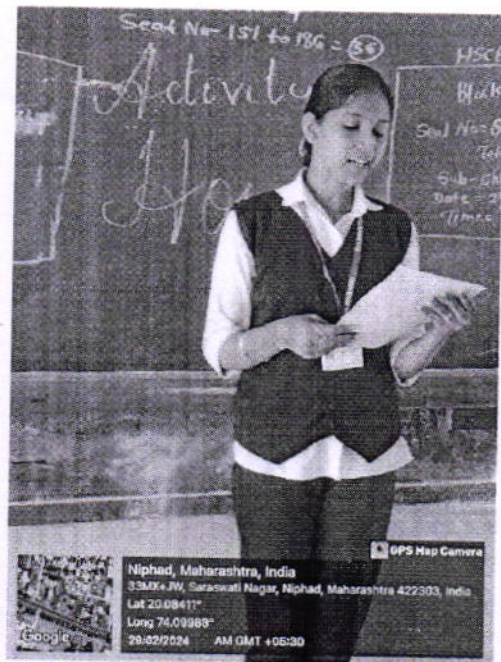

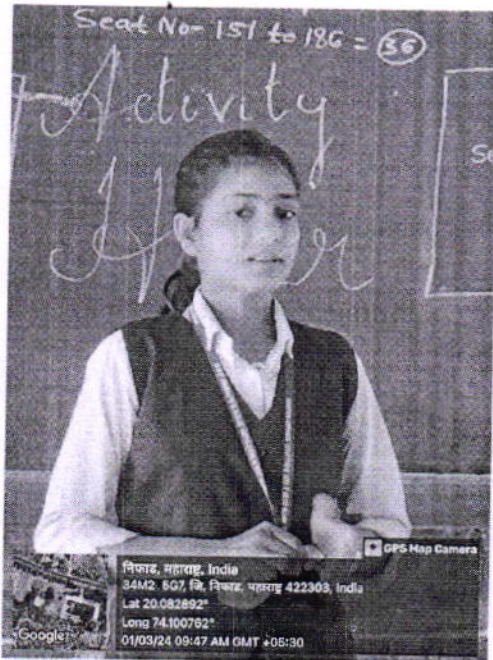

□ In order to listen and practice British English Received Pronunciation, the teacher conducts practical sessions in which each student is provided with one Language clarity improver machine, an audio cassette and a text book. The machine has an audio play facility through which the student can listen the correct pronunciation and he can record his own voice and by repeated listening of both the voices: original and his own he can compare them and practice for correct pronunciation.

□ syllabus of the course is based on the Special paper Structure of English language in which there are topics as Vowels, Consonants diphthongs and comparison of British, American and Indian English pronunciation. The teacher gives exposure in the varieties of accent in English to students by utilizing the language lab. so the students listen to dialogues, speeches and conversation on the language clarity machine.

- The language lab helps Students to undertake research projects and present poster at
- University organized Avishkar Research Competition every year.
- Practice sessions of the Course in Communication Skills in English organized by dept. of English are successfully conducted in the language lab. Film festival is organized in the language lab in which the films of prescribed novels and dramas in English and Marathi are shown to students with the help of L.C.D Projector.
- English pronunciation practical sessions of the participants for 30 hrs. programme
- Development Training program conducted in the language lab every year.
- Various activities like creative writing, presentation and poetry recitation are also conducted.
- It helps to enhance the linguistics skills of students.

Out Come of the Programme

Students express themselves confidently in English
Students have written creative essays for departmental magazine
