13	Brief information of program	Dr. Dnyaneshwar Pawar spoke as the keynote speaker in a one-day new National Education Policy workshop. On this occasion, Sir gave detailed guidance about the background behind the National Education Policy, goals and objectives, curriculum structure, selection of various subjects, credit system and coefficient method in the National Education Policy. This policy has been adopted in the National Education Policy by including education value equality, rights and duties skills profession. Similarly, how to increase the number of youth in higher education, the main objective behind the new national education policy is to provide students with education in various disciplines as well as develop their skills along with the curriculum. He explained that the National Education Policy is conducive to the development of students at all levels and expressed the opinion that it will be implemented from the year 2023 24. The program was presided over by the principal of the college; Professor Dr.S. V. Jadhav was present. Principal Dr. S. V. Jadhav said that the Indian education system has undergone changes from time to time and as we have adopted those changes over time, he said that there have been many changes in the education stream, one part of which is the new National Education Policy. He expressed the view that the National Education Policy is a multi-

		faceted policy providing inclusive education so that they can choose a career in the subjects of their interest and achieve self development. Introductory N.E.P. Coordinator Prof. Praveen Shardul, in his introductory speech, explained the purpose behind organizing the workshop, the topics and concepts of Indian education system and educational policy. Mrs. Sujana LS conducted the said workshop in which a majority of first year students of Commerce, Arts and Science and Computer Science were present and the faculty of the college also attended the program.
